Barn Cats Need Homes!

A dozen feral/outdoor cats urgently need to be relocated to caring homes, or they are at risk of being exterminated by the owner of the property where they currently reside. Even though they are not indoor cats, they'd make nice barn cats and great mousers!

Contact us at 374-3332 for more information, and if you or someone you know can give one or more of these cats a good home.

THANK YOU!!!

WE NEED YOUR RUMMAGE!

We are collecting items for our Friends of Forks Animals Annual Rummage Sale. Our rummage sale is the most profitable fundraising event of the entire year.

This year's sale will be held:

Saturday, October 4th

10:00 am to 3:00 pm

at

Bank of America Building

We are accepting gently-used items (no clothing please) for the sale. If you have items to donate, please **contact Dee at 327-3588** to arrange for pick-up/drop-off. **It's the perfect time to . . .**

Clean out your closets. Organize your garage. Get ready for winter.

Last year's sale was a huge success. With the state of the economy these days, our local animals will really benefit from the proceeds of another successful sale.

WE NEED YOUR RUMMAGE!!!

Bella's Birthday Celebration

We will have a Friends of Forks Animals table setup inside Thrifty/Forks Outfitters on **Saturday, September 13th**, in honor of Bella Swan's birthday celebration weekend in Forks.

(Bella is the main character in the Twilight novel series set in Forks by author, Stephenie Meyer.)

The table will be setup **from 10:00 am to 4:00 pm** where we'll be selling t-shirts, pink cupcakes, and accepting donations.

We could really use some volunteers to make the pink birthday cupcakes so. . . **please call Dee at 327-3588 if you can help us by baking even one batch of cupcakes.**

Thank you!!!

AND If you're out and about that day, be sure to stop by the table where we'd love to say "Hi!" to you as we chat with passersby about the town we love, while doing something good for our area animals. *'Hope to see you Saturday!*

CATS, CATS EVERYWHERE!!!

In the current state of the economy, people aren't the only ones having a difficult time these days. Many of our West End animals are finding themselves in need of a safe, new home.

Whereas the Friends of Forks Animals (FOFA) works in tandem with other no-kill animal rescue organizations to house West End animals until a new home is found, these organizations are now filled to capacity and can sadly no longer accept animals from our area as often as necessary. We are currently inundated with calls for cats and kittens in desperate need of fosters care and/or medical attention.

The Friends of Forks Animals is urgently appealing to the public for foster care volunteers, as well as cash donations for food and care of our area animals in need. Our funds are being depleted rapidly not only for the spay/neuter program, but also for medical care, transportation and pet food assistance.

Could you be a temporary foster home, or care for a pet in need? Do you know someone who could?

If so, please contact us TODAY at 374-3332 or email info@friendsofforksanimals.org to help.

Thank you for your concern for our West End animals!
